Interinstitutional Postgraduate Program in "Artificial Intelligence"
Invitation for Candidacy Submission

The Department of Digital Systems of the School of Information and Communication Technologies of the University of Piraeus and the Institute of Informatics and Telecommunications of the NCSR "Demokritos" organize and operate from the academic year 2019-2020 an Interinstitutional Postgraduate Program (M.Sc.) entitled "Artificial Intelligence". The M.Sc. program accepts applications for enrollment in the Postgraduate Program for the academic year 2024-2025 (Commencement of classes in October 2024).

The M.Sc. program accepts holders of a first-cycle degree from Greek or equivalent foreign Universities or Institutions.

Selection among candidates is based on objective criteria and a personal interview by a Committee of Professors and Researchers of the program's operating bodies.

Applications are accepted from April 8th to June 15th, 2024.

Interested parties must complete and submit their candidacy application through the Electronic Application Submission System "ARISTYLOS" at the following URL: https://www.ds.unipi.gr/pmssys/web/index.php

Applicants must submit the following documents through the Electronic Application Submission System:

1.   Application form
2.   Curriculum Vitae
3.   Certified copy of degree/diploma or certificate of completion of studies

4.   Transcript of records, including the degree grade (for each degree)
5.   Two recommendation letters concerning the academic career of the candidate
6.   Copy of Bachelor's or Master's thesis (if available)
7.   Copies of publications in journals or conference proceedings with reviewers (if available)
8.   Evidence of professional or research activity relevant to the program's subject, if available
9.   Certified copy of an English language proficiency certificate
10.   Certified documents demonstrating sufficient knowledge of the Greek language (for foreign candidates)
11.   Copy of both sides of the ID card
12.   Photograph

Candidate application files must be completed with the necessary documents (including both recommendation letters) by the deadline. Failure to provide the required documents renders the application rejectable.

In case the candidate is selected for enrollment in the M.Sc. program, they must submit to the Secretariat of the Department of Digital Systems of the University of Piraeus, during their registration, the certified evidence of English language proficiency in printed form.
Submission of candidacy files is only done electronically. In case of inability to attach documents or absence thereof, you can contact the Secretariat of the M.Sc. program in "Artificial Intelligence" at the email address: ai@iit.demokritos.gr.
